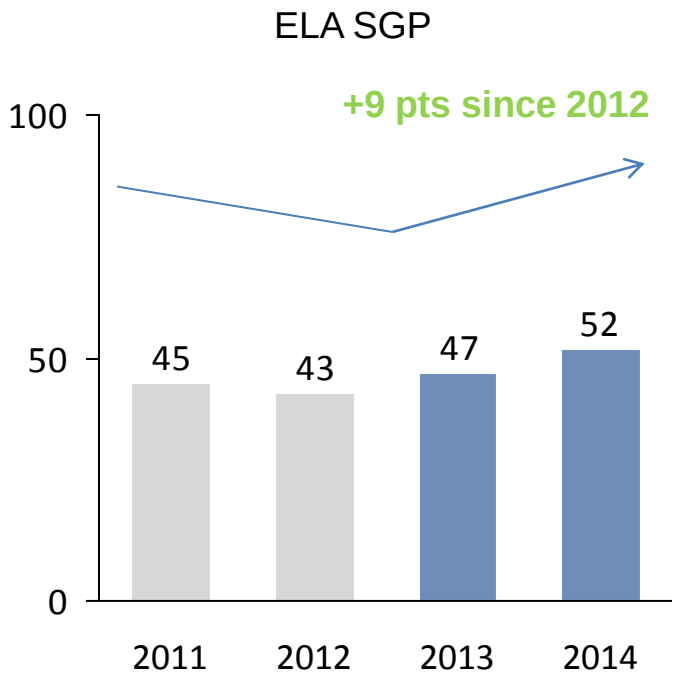
PUBLIC SCHOOLS

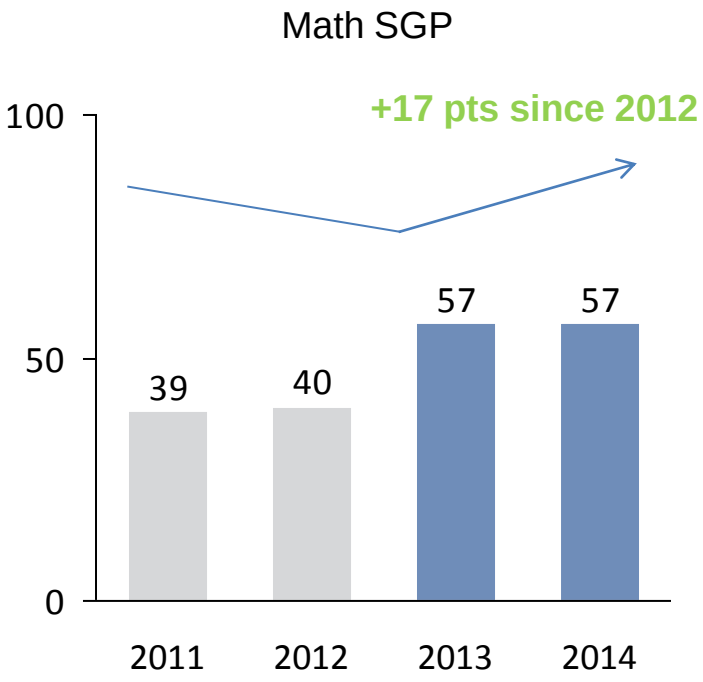
OUR WAY FORWARD

Lawrence SGP student growth percentiles (SGP) at historically high levels in both ELA and Math

ELA SGP at highest recorded level in the district

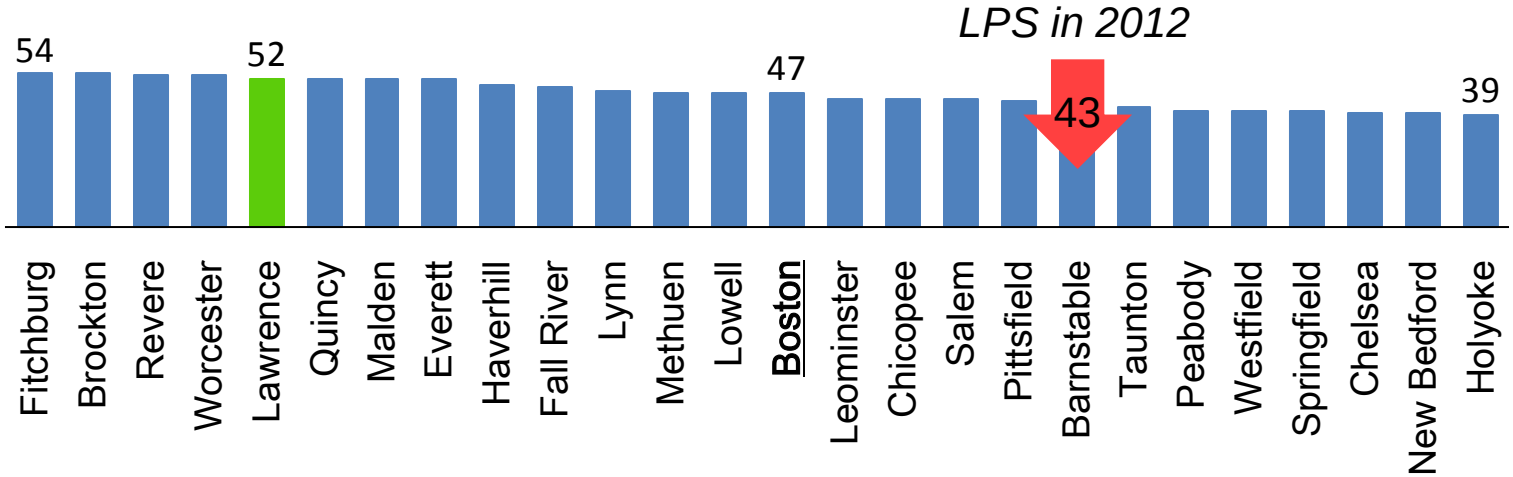


Math SGP remained at historic levels this year

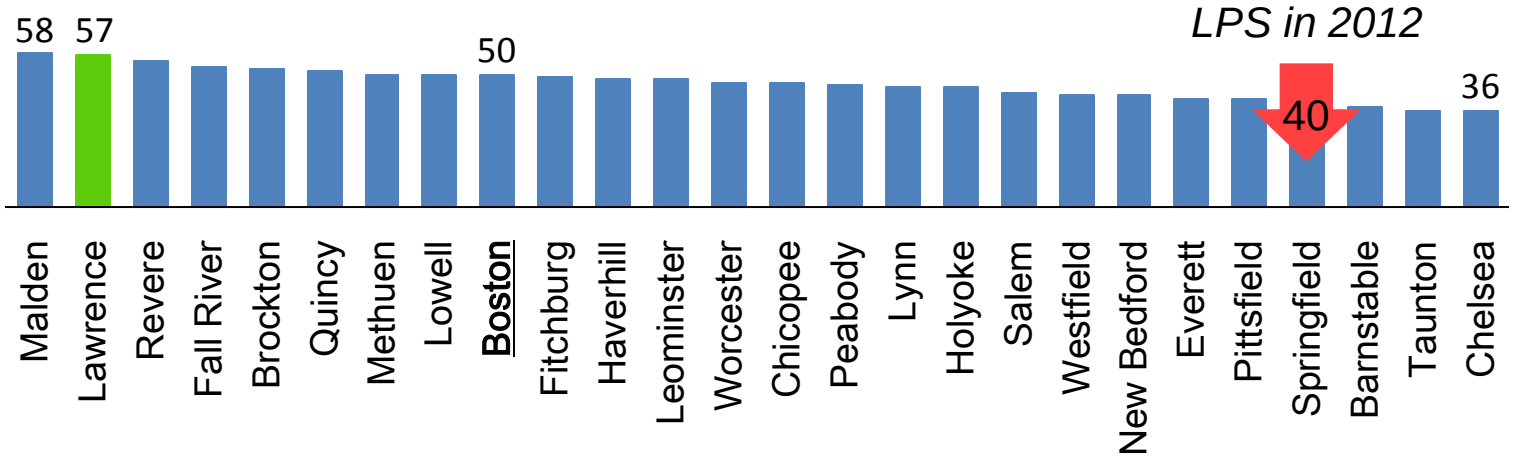


LPS has risen sharply among Gateway Cities in student growth in both ELA and Math

ELA SGP

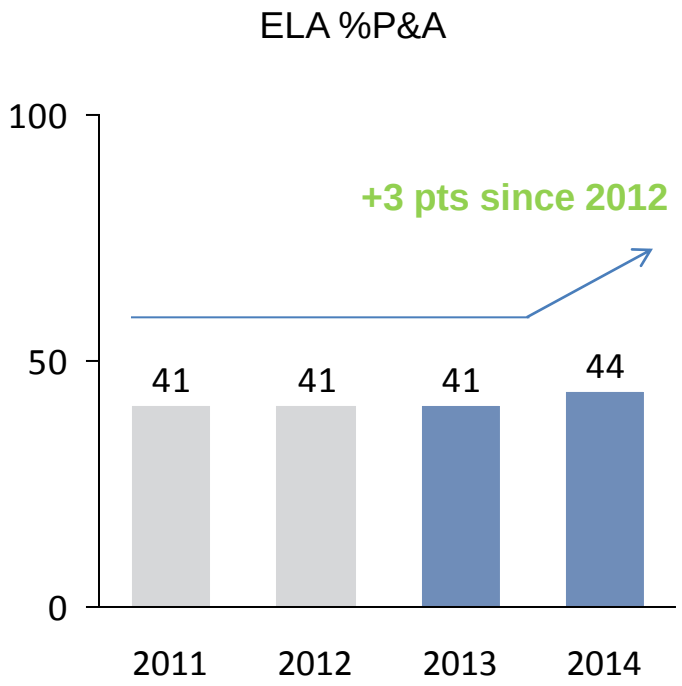


Math SGP

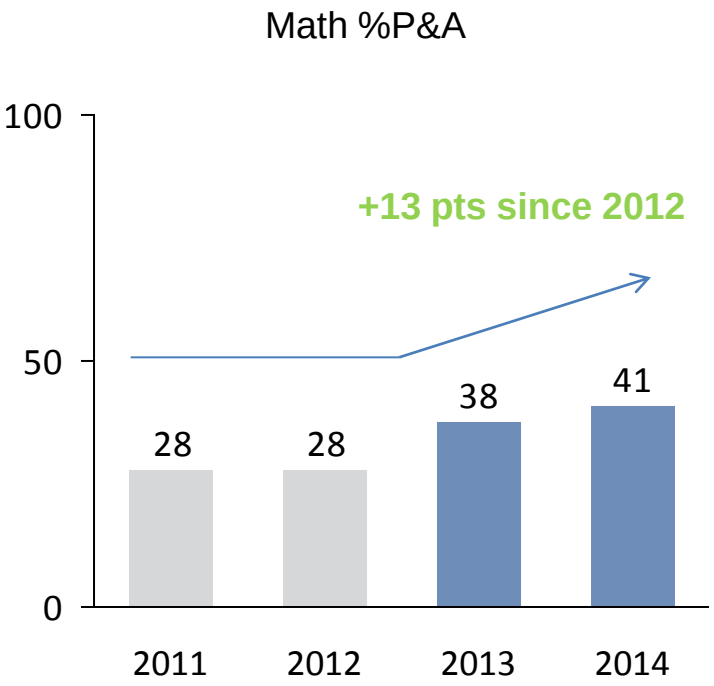


LPS saw a significant increase in the % of students achieving at Proficient & Advanced levels from 2013 to 2014

ELA proficiency up 3 points after years of flat performance

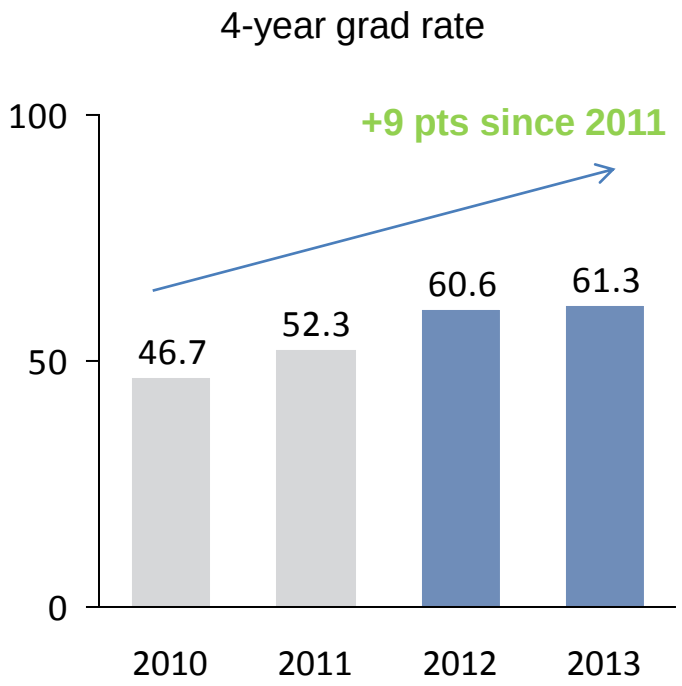


Math proficiency continues strong upward trends

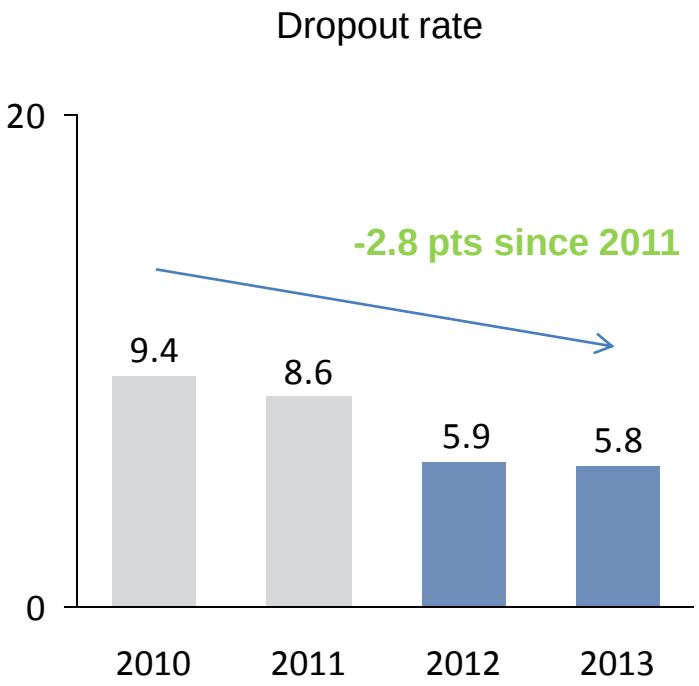


Graduation and dropout rates continue trajectory of strong improvement

Graduation rates continue to rise…



Dropout rate continues to fall...



LPS has added new Level 1 schools each year of the turnaround

Level 1 schools are those meeting their state performance targets

2012	2013	2014
Frost Middle	+ Guilmette Elementary	+ Parthum Middle
South Lawrence East Elementary	+ Wetherbee	+ Leahy Elementary

% of eligible enrollment in Level 1 schools

9% → *19%* → *28%*
