# WHAT IS WIC?

WIC is a nutrition program that provides nutrition and health education, healthy food and other services free of charge to Massachusetts families who qualify. WIC stands for Women, Infants and Children.

## WHAT DOES WIC OFFER?

WIC's goal is to help keep pregnant and breastfeeding women and kids under age 5 healthy. To do this, WIC provides:

- Personalized nutrition consultations
- Free, healthy food
- Tips for eating well to improve health
- Referrals for medical and dental care, health insurance, child care, housing and fuel assistance, and other services that can benefit the whole family

But that's not all! WIC also offers breastfeeding classes, one-on-one breastfeeding support, as well as immunization screening and referrals. WIC also provides parents with opportunities to talk with other parents about nutrition and other health topics that are important to their families.

## WHO IS WIC FOR?

WIC is for all kinds of families: married and single parents, working or not working. If you are a father, mother, grand parent, foster parent or other legal guardian of a child under 5, you can apply for WIC for your child.

You can participate in WIC if you:

- Live in Massachusetts
- Have a nutritional need (WIC staff can help you determine this)
- Are a child under 5, or a pregnant or breast-feeding woman, and
- Have a family income less than WIC guidelines

HOUSEHOLD	YEARLY	MONTHLY	WEEKLY
1	\$21,590	\$1,800	\$416
2	29,101	2,426	560
3	36,612	3,051	705
4	44,123	3,677	849
5	51,634	4,303	993
6	59,145	4,929	1,138
7	66,656	5,555	1,282
8	74,167	6,181	1,427

*If you are pregnant, you should count yourself as two.*

You are automatically income eligible for WIC if you are currently receiving TAFDC, SNAP or MassHealth. (MassHealth members with Family Assistance or CommonHealth coverage are not automatically income eligible.) Foster kids under age 5 are also automatically eligible for WIC.

## CAN MEN PARTICIPATE IN WIC?

WIC welcomes men! WIC recognizes the important role that fathers, grandparents, stepparents, and other guardians play in caring for kids. Fathers and other caregivers of kids under 5 are encouraged to enroll and bring kids to appointments, attend nutrition and health workshops, and use WIC checks in grocery stores.

## HOW DO I APPLY FOR WIC?

Call the WIC Program office in your community to set up an appointment or call 1-800-WIC-1007. Many WIC offices are open in the evenings and on Saturdays so you do not have to miss work. Walk-ins are always welcome.
