

Dear INT community:

We hope that you are safe and well. This page includes important resources that you can use during remote learning. It also includes information about your online classes and assignments.

At INT, you will access your activities and assignments through Google Classroom. Each week your teachers will provide you with learning materials, such as texts, videos or pictures. They will also provide you with a weekly assignment, which you can complete at your own pace. These assignments may require you to read, listen, speak, or write. Please read the directions for each assignment carefully and reach out to your teachers if you have any questions. Remember that you need to use your Lawrence Public Schools email address and password to log into Google Classroom (see below).

- Your LPS email address: **your ID number@students.lawrence.k12.ma.us**
- Your password: **your ID number.**

If you have any questions, you can also reach out to the INT Remote Learning Team

- Geraldo Acosta (Director)
