RE: Transitional Relief Aid

As we reported back in September, DESE provided additional funding for LEAs whose Chapter 70 aid and tuition revenue has been negatively impacted by the change in low-income enrollment measurement. The total amount received by Lawrence was \$1,952,659. With assistance from the Leadership Team, 73% of monies has been spent. The allocation of the expenses go as follows: 19% for Operational expenses, 36% for Facilities, 6% for Saftedy, 6% for Instructional Support, 4% for Student Support, and 2% for Special Education, Family Outreach, and Athletics.
